Re: Notice of Filing -UNS Electric, Inc.'s Annual Time-of-Use Tariffs Report  
Decision No. 70440 (July 28, 2008), Docket No. E-04204A-06-0783

Pursuant to Decision No 70440 (July 28, 2008), page 6, lines 22 through 26, UNS Electric, Inc. is required to file an annual report showing: i) how many customers are taking service under UNS Electric's Time-Of-Use ("TOU") tariffs; ii) how much money those customers have saved relative to non-TOU rates for the same class of service; and iii) how these tariffs have provided a benefit to UNS Electric. Attached is the report providing the required information.

If you have questions regarding this report, please contact me at (520) 884-3680.

Sincerely,

Melissa Morales

**DOCKETED**

JAN 14 2016

DOCKETED BY	
-------------	---

The following information is based on period ending December 31, 2015:

- 1) How many customers are taking service under UNS Electric's Time-of-Use tariffs?

Answer: UNS Electric currently has **324** customers on time-of-use tariffs.

- 2) How much have customers saved relative to its non-Time-of-Use rates for the same class of service?

The following table shows the savings by class of service:

<u>Class Description</u>	<u>Savings By Class</u>
Residential Service	\$29,543.81
Small General Service	\$69.34
Large General Service	\$0

- 3) How are these Time-of-Use tariffs providing a benefit to UNS Electric

Answer: The current benefits of the Time-of-Use tariffs to UNS Electric relate to the Company's ability to offer options to our customers that provides them with the opportunity to save money on their electric bill.
